

403
404 Q: So, and then with the, um, like, restraining order, I've a- there's, like, a pattern
405 where that happens. Um, I feel like I have a curse, that this was my way to
406 save myself was to get into this business because there's a reason why I can
407 understand things, and it - it comes from where I came - like that hurt child
408 that I think you were.
409
410 A: Mm-hm.
411
412 Q: And so it helps me to be very good at figuring out what's going on. 'Cause I
413 see people as people not as, like, good or bad.
414
415 A: Yeah
416
417 Q: And so that's where - I don't wanna dig a - I don't want you to dig a hole with
418 something. I don't wanna play that game where I wait and you tell me
419 everything. And then I'm like, well, actually I have this, and I have this, and I
420 have this. I don't want to do that.
421
422 A: Mm-hm. Yeah, I don't know.
423
424 Q: Is it possible that, like, that weekend with (that - like, I want you to tell
425 me everything that you remember from there, but...
426
427 A: I remember everything completely clearly. Which is - yeah. And I have
428 witnesses to that, too, which is awesome.
429
430 Q: Okay, and if it - m- you know, and that's where I think I just don't want you to
431 dig any holes...
432
433 A: Yeah.
434
435 Q: ...with other - like if someone (unintelligible) information.
436
437 A: No, like, I know I'm safe with that. Like, I just kn- I know she's not sane and,
438 you know, it's been proven by multiple people. So, I'm -know I'm s- okay with
439 whatever craziness she's got goin' on, so. Quicker - quicker, we get it over
440 with, the quicker, I don't know, it's out of my life. 'Cause, it's already been
441 outta my life for years. When I first heard about it, it was kind of - it hurt to,
442 like, hear, and I was like, wait. And then I talked to people and remembered
443 things. And there's, like, yeah, like, that's not your fault. Like - like one of my
444 friends not hiring her at a store, at a restaurant, 'cause he did a background
445 check on her and everyone was, like, she's crazy, don't hire her. And I was
446 like, yeah. And then we talked about her a little bit. And he's like, yeah, she's

447 definitely out of her mind. I was like, yeah, it's w- known now by a lot of
448 people, so.
449
450 Q: Who was that?
451
452 A: Um, I don't r- I don't wanna give any names or say anything until they - it
453 needs to come up.
454
455 Q: Yeah. Um.
456
457 A: But.
458
459 Q: Because I'm wondering if there is a - is ther- if there was a possibility that -
460 that you were so drunk during that time period that your perspective of it was
461 a little different than hers.
462
463 A: Nope. I have, you can ask any one of my friends, I have the best memory in
464 the world. And I remember things to the T. I can remember small details that
465 she would definitely not remember. And you can ask any one of my
466 coworkers that worked at that place, including Stu, who's not a co-worker.
467 Um, and I can tell you conversations we had, what clothes I was wearing,
468 small things down to the T.
469
470 Q: You wanna s- do that and explain that to me?
471
472 A: Well, ah, like, am I being charged with anything? What's goin' on, like
473 (unintelligible).
474
475 Q: Like, you're not - this is - this is what this is is, like, as much information as
476 you can provide to me will help. It's the United States Attorney's Office
477 decide which way they want to go on it. If they go on what I have...
478
479 A: Mm-hm.
480
481 Q: ...at - they're gonna tell me to keep - keep, find as many victims as you can.
482 And so I'm gonna keep doing that. And then they will - and, I'm over it.
483
484 A: Yeah.
485
486 Q: But I will do it because that's what they'll tell me to do.
487
488 A: Yeah, well, she's the first person that's ever said that, so, that's.
489
490 Q: She's the pers- the first person that's ever said what?
491

492 A: The first person that's ever, like, accused that, or whatever, so.
493
494 Q: Well, um, and, um, she wasn't the only person that did, in my investigation.
495
496 A: (Unintelligible)? Who?
497
498 Q: Um, from...
499
500 A: ? Yes, that makes this so much better.
501
502 Q: Well, and then there is, like, stuff you've - you putting stuff on Facebook and
503 social media about her and seeing her at - what she looked like at ()
504 and calling people in the middle of the night and telling them that you
505 wanna kill her because she - she's the reason why your girlfriend...
506
507 A: ()?
508
509 Q: ...() broke up with you.
510
511 A: I don't know her number. I've never called her once in my life.
512
513 Q: Yeah, she's - she knows - she has said it went through () text
514 messages and different things.
515
516 A: This is amazing. That - all of that's not true at all. I can - I bet my mom's life
517 on that one. She's - yes, this - okay, I just hope this doesn't fuck me 'cause I - I
518 know it's not true, which is good. But I've also been screwed over for being in
519 the right before. So I gotta figure out how to protect myself during this,
520 because I know that's not true. I know. So - I got a text, actually, I wonder - I
521 got a new phone or dropped my phone. Um...
522
523 Q: (Unintelligible).
524
525 A: ...I - I don't even have a text thread with her - with () -
526 'cause I told her - 'cause I thought she was the one that, uh, initially, like, a-
527 accused me of that. And so I text (), and I was like, what the hell? And
528 she's like, no, um, I talked to her and she said, you never did that to her at all.
529 And she said that's first-hand word from her. And you can call ()
530 right now and she'll say the same exact words.
531
532 Q: And so for - when did you hear about this...
533
534 A: That's awesome
535

536 Q: The thing, or the - 'cause, like, before, you know how when sent
537 you the message, like, you thought everything was cool.
538
539 A: Mm-hm.
540
541 Q: And then she sent you the message.
542
543 A: Yeah, that was outta the blue.
544
545 Q: (Unintelligible) something, like, I think there was a first one, kind of like, um.
546
547 A: From me or from her?
548
549 Q: Like you, from - from you reaching out to her, asking...
550
551 A: Yeah.
552
553 Q: ...her about going to a wedding or something. Do you still have the phone with
554 y- the messages in your phone too? 'Cause that...
555
556 A: Not that I...
557
558 Q: ...from that time?
559
560 A: Not that I can - I can look for an old phone.
561
562 Q: Or w-, like, would her contact come up and then show all the texts?
563
564 A: I can maybe - I can, like, I can probably - uh, I don't have any texts with her
565 on this phone. Um, no 'cause, yeah, I remember bein' like, hey that was a
566 awesome weekend, I'm gonna come down this weekend and, you know, I
567 wanna see you this weekend. And then she sent me that message out of the
568 blue and I was just, like, whoa. And I showed (), you know? And he was
569 just, like - I remember him sittin' there cross-legged on the bench in front of
570 (unintelligible).
571
572 Q: Mm-hm.
573
574 A: And he looked at it, he's like, "Oh, yup." He's like, "Tha- that'll happen" kind
575 of thing. Like, just, like...
576
577 Q: Mm-hm.
578
579 A: ...don't let - don't let it...
580

581 Q: Like (Stu)'s kinda...

582

583 A: Yeah, he was be- exac- ()'s been around. He's, like, "Oh f- oh, man." He's,
584 like, "That's crazy, 'cause she was so into you. I thought, you know, she was
585 sittin' on your lap in from the store. You guys went for a hike." We went for a
586 ten-mile hike Sunday before she left, you know, on the back of the middle -
587 middle of nowhere together.

588

589 Q: Mm-hm.

590

591 A: And then she drove off. And it's just, like, you would not think that she's goin'
592 on a ten-mile hike with somebody that she was scared of, if...

593

594 Q: And...

595

596 A: I didn't get the impression at all, you know.

597

598 Q: So...

599

600 Q1: What was the message that she sent you?

601

602 A: Um, "It wasn't a good weekend. You raped me," or somethin'. And I was just,
603 like, yeah, I was, like, wow, okay. That was outta the blue. And then, um,
604 yeah, but yeah, that Sunday I remember we went to TPR, had breakfast, and
605 then we saw () and () was - so I (unintelligible) to introduce her to
606 who I thought was gonna be, like, my new girlfriend, you know, and we didn't
607 hook up that day. And then we went out to Saddlebag Lake and went for a
608 ten-mile hike. Then I came back, went to (Lee Vining), and then dropped her
609 off, and then she took off. And we didn't hook up that whole Sunday. And,
610 you know, if you're ten miles out in the backcountry with somebody you're
611 scared of, like, I didn't - obviously, if there was more of a sign, I woulda - you
612 know, it would...

613

614 Q: Well h-....

615

616 A: It would've been a little different.

617

618 Q: So th- that's the thing with the drinking, that makes me wonder. Like, and I
619 know, um, your memory - 'cause I think from her side of things that after the
620 beginning that she didn't know how to interact, so she just kind of, like, went a
621 r- long with the show 'cause she didn't...

622

623 A: Yeah.

624

625 Q: ...you know how to, um...

626

627 A: That's bizarre. Why don't you just leave? You know, she has her car right
628 there.

629

630 Q: Well, yeah, and that's where she was like a 19 -year-old who kind of had, like,
631 a starstruck thing for a - a rock climber who when she's out with him, people
632 are asking to sign his - autograph his book.

633

634 A: Yeah.

635

636 Q: You know. And she was nineteen.

637

638 A: Yeah.

639

640 Q: So it's - it's just a - y- I - where I sit, I have to see e- everybody's side of
641 things...

642

643 A: Mm-hm.

644

645 Q: ...and sometimes I'm, like, ooh, but I - I will tell you like - like you're - you're
646 sayin' the stuff about crazy, which may be true, but I see someone who also,
647 like...

648

649 A: Yeah.

650

651 Q: ...was really, um, impacted and tried to...

652

653 A: Mm-hm.

654

655 Q: ...block it out, and...

656

657 A: Yeah, and I don't...

658

659 Q: ...did different things and tried to get help from different people and tried to
660 move on. But then, um...

661

662 A: Yeah. And that sucks. And you know, like I do feel sorry for her for - if - the
663 way she took it 'cause, like, for me I didn't realize it was like that at all, you
664 know? Like it was just a fun, awesome weekend. And I just was like, cool, I'm
665 excited to see you again. And then outta the blue, it was just a f- totally 360,
666 180, whatever. And just, like, I didn't see it that way. And it was just so
667 bizarre to have it, like, um...

668

669 Q: Come back that way.

670

671 A: Yeah, exactly. When you just don't think anything of it, when it's a - yeah.
672 And it's just, like, wow. And then, like, obviously I didn't wanna stay in touch
673 with her. And then I started gettin' random messages from people, and I texted
674 her, I was, like, "Hey, I know things ended weird, but, like, I - is this is you
675 messin' with me"? You know? That kinda thing and she is didn't respond or
676 anything.
677
678 Q: Like what was - what were the random messages?
679
680 A: I was just gettin' random messages, like, "soon everyone is going to know
681 you're a rapist," like. It was her and (), like, you know, teamin' up
682 together to try to ruin my life, which they have told me they're trying to.
683
684 Q: I - I actually don't think they - I don't think they ever did. And I think someone
685 else might've been doing that.
686
687 A: Hm.
688
689 Q: Um...
690
691 A: Uh, yeah, that's what I've heard.
692
693 Q: Because I have had, like, their phone records.
694
695 A: Yeah.
696
697 Q: And their phone 'cause it's, like, I - I don't take one side or the other.
698
699 A: Yeah - yeah.
700
701 Q: And actually, when you're on the underdog sides, I investigate the other thing
702 first...
703
704 A: Yeah.
705
706 Q: ...before I do the other - kind of opposite of the way most people do things.
707
708 A: Mm-hm.
709
710 Q: Because, um, I don't know, I think that's the way it - that it should go. And so
711 I don't see that from their phones. I mean, I did see that other thing when you
712 reached out to her I think...
713
714 Q: Yeah, when she was in, um...
715

716 A: They were from random numbers, you know, they were from, like, my burner
717 phones or whatever.
718
719 Q: And that's why I want to ask you. If you have, like, an app on your phone that
720 does that for your phone, 'cause...
721
722 A: No. I could, um, give you - try to get you those num- I think I took pictures of
723 them. I know I took screenshots of some of the numbers. They were random.
724
725 Q: Yeah, I'll take 'em. Do you - is that - that's an iPhone, right?
726
727 A: Mm-hm.
728
729 Q: Do you, like, have any apps on your phone that are, like, um...
730
731 A: No.
732
733 Q: ...what are those ones that let you call somebody from a different number?
734
735 A: Mm-mm. You can look if you want, but - mm-mm.
736
737 Q: 'Cause I - they actually...
738
739 A: Wouldn't even know how to do that.
740
741 Q: They even think that, like, I think both of them have thought that that was - or
742 that () in particular has been getting numbers like that for a long time.
743
744 A: Mm-hm.
745
746 Q: And - where someone just doesn't...
747
748 A: Yeah, I haven't had - the only time I reached out to her is that one time when I
749 sent a text to her number that I still had. And that's the only time I've ever -
750 you know? And I tried - I sent a nice message. It was just, "Hey...
751
752 Q: Like, I hope your - is this you? I hope you're crushing.
753
754 A: ...hope your" - yeah, "hope you're crushing." Yeah, exactly.
755
756 Q: Did you have a picture or somethin' that was trying to load with that?
757
758 A: Mm-mm.
759
760 Q: There's something, like, a loading mail that was trying to load something.

761
762 A: Oh, maybe it was, like, the number - the screenshot of it, but I don't - not that
763 recall. I remember just sending that text and just being like, hey, this is you?
764
765 Q: Did you know that she was at that, um, coffee shop working there at that
766 time?
767
768 A: Which - no, which coffee shop?
769
770 Q: The Daniel Boone coffee shop.
771
772 A: Mm-mm.
773
774 Q: I think you were in, like, you might have been in New Hampshire some - or
775 in, um, that area climbing.
776
777 A: Oh, yeah, 'cause I was i- yeah, I was in Rumney. Exactly. And then, yeah, I
778 think that's when I got the text. Yep, exactly. I didn't know where she was at
779 all. I don-...
780
781 Q: And then she didn't - I don't think she replied.
782
783 A: No.
784
785 Q: But then I...
786
787 A: There was no reply.
788
789 Q: Like so I - I go down every place, and then, like, on your Instagram at the
790 same time you wrote something about, like, feeling really bad or being really
791 sad.
792
793 A: Mm-hm.
794
795 Q: And I wondered if it had anything to do with that situation.
796
797 A: Yeah. Just, yeah, people just tryin' to hurt me for - I don't know
798
799 Q: Were people telling you that she was goin' after you...
800
801 A: Yeah.
802
803 Q: ...or saying stuff about you?
804
805 A: Yeah. See, uh, I heard her and were trying to ruin my life, is what...

2054 you, can we be friends...

2055

2056 A: Mm-hm.

2057

2058 Q: ...and then...

2059

2060 A: Yeah.

2061

2062 Q: ...so this is the part where I was talking about before, where I was, like, the
2063 () situation in the beginning, like, when I was responding in 2016 and
2064 September to - and talking to () and () and looking at text
2065 messages that they weren't making sense and the ones the ()
2066 and different people, they didn't make sense to me because you were so
2067 convinced that the police were coming after you...

2068

2069 A: Mm-hm.

2070

2071 Q: ...and that's what, um, I could see being in your position after you had already
2072 gotten this one message from her and then you sent her a message a couple of
2073 weeks later...

2074

2075 A: Mm-hm.

2076

2077 Q: ...and she replies, I'm not friends with guys who rape me...

2078

2079 A: Mm-hm.

2080

2081 Q: ...did that se- how that would send you in a place, like, the police are gonna
2082 come after me...

2083

2084 A: Yeah.

2085

2086 Q: ...and I'm going back to prison...

2087

2088 A: Yeah, yeah, yeah, puts you in a weird mood when you don't think, you know,
2089 anything's wrong, you know, you're just, like, you're, like, yeah, just
2090 completely oblivious to it and then it happens and then...

2091

2092 Q: Well, and you under- you, like, you started - how old were you when you
2093 went to prison for the - the () thing?

2094

2095 A: Twenty-one or 22 or something, 22...

2096

2097 Q: Is when you - it took a while for it to go through, like, the process or whatever
2098 and then the () thing...
2099
2100 A: Mm-hm, oh, it's '09, '08...
2101
2102 Q: Okay.
2103
2104 A: ...it happened, '09 went to jail.
2105
2106 Q: So, did yeah, so it was like a year 'til they said then you went to jail in '09...
2107
2108 A: Yeah.
2109
2110 Q: ...and you were there for, like, a year?
2111
2112 A: Six months.
2113
2114 Q: Six months?
2115
2116 A: Yeah.
2117
2118 Q: And how long for the park service thing?
2119
2120 A: Six months.
2121
2122 Q: So, to - has he - how old were you then, like, um, 25, twenty...
2123
2124 A: Yeah, something like that, 24, 25...
2125
2126 Q: So, like, you look at that, you're 25 years old you've already - you gone to
2127 prison twice...
2128
2129 A: Right.
2130
2131 Q: ...is that - was I right in that, that that was what sparked the - the meltdown of
2132 the...
2133
2134 A: Yeah.
2135
2136 Q: ...() thing?
2137
2138 A: Yeah, I got a lot of PTSD. I've talked to a lot of therapists and stuff. Um, I
2139 have a lot of PTSD and stuff from (), you know, when something's out of
2140 your control and you just get taken advantage of by the system and it just - it -
2141 it - it does a thing mentally to your psyche that...

2142
2143 Q: And maybe - maybe it, like, it does it mentally to your psyche, like, maybe it -
2144 it wasn't just...
2145
2146 A: It does damage on (unintelligible)...
2147
2148 Q: ...(Piva)...
2149
2150 A: Yeah, it's the whole situation, yeah...
2151
2152 Q: ...it was, like the whole situation...
2153
2154 A: Yeah, 'cause I remember one and I called the cops on the cops and I couldn't -
2155 there's no cops to call on the cops, you know? And, like, there's nothing I
2156 could do to get out of the situation and it's just like when you're just - just
2157 screwed and it's just, like, that's why it's scary being in this situation too. It's
2158 just, like, knowing that it's one person's word against another's and it's just,
2159 like, it...
2160
2161 Q: Was - do you remember other people you called after that, like, in that time
2162 period, like, there was, like, I know that there were others and people told me
2163 there were others. But, I - I don't know if you remember who you talked to.
2164
2165 A: During what time period?
2166
2167 Q: When you were, like, convinced that she had turned you in into the - and
2168 that...
2169
2170 A: Mm-mm.
2171
2172 Q: ...someone was gonna arrest you.
2173
2174 A: No.
2175
2176 Q: Is that why you were saying the cops are after me and why you were ready to,
2177 like, you're gonna end your life 'cause of that?
2178
2179 A: Yeah, I probably does that.
2180
2181 Q: Oh, that made sense to me when I saw some of the texts where, like, first it
2182 was about these two little girls and then it was, like, no, this is about a woman
2183 and he's afraid that he's gonna go to jail.
2184
2185 A: Yeah, yeah, going to jail for lies never fun so that's just - but there's nothing
2186 you can do. That's how our court system works, you know? It sucks.

2187
2188 Q: And then - and then, um, I - there's the - I don't think there was much between
2189 you or her until that - once you - she saw you in the Vegas grocery store. She
2190 didn't know that you saw her.
2191
2192 A: I gave her a hug or no, I almost gave her a hug 'cause I kind of, like, forgot
2193 about it. I saw her face, you know, and I was, like, no way. And I, like,
2194 walking to give her a hug and I was, like, oh, yeah...
2195
2196 Q: Oh, yeah...
2197
2198 A: Yeah - yeah...
2199
2200 Q: ...that's not the one - I don't...
2201
2202 A: Yeah - yeah.
2203
2204 Q: ...she doesn't want me to give her a hug...
2205
2206 A: Yeah.
2207
2208 Q: ...'cause she - yeah, she saw you but she didn't know if you saw her and she
2209 wa...
2210
2211 A: Oh, no, we said that we talked. I, like, 'cause I became - I remember she came
2212 this way and I was walking that way and, um, it was on the (Albertson's) in
2213 Charleston. And, um, I, like, almost, like, walk and gave her a hug, you know,
2214 kind of got close and I was, like, oh, yeah. And, I was, like, "Hey, what are
2215 you doing here?" And she's like, "Climbing." And, I was, like, "Cool, like,
2216 have fun, you know?" And she's, like, she was, like, kind of scared I
2217 remember and then just, like, went around. I, like, oh, yeah, like, see, you
2218 know, I remembered instantly that - that she was not (unintelligible)...
2219
2220 Q: She was kinda cowering like that, like, she kind of...
2221
2222 A: Yeah, she was, like, taken back, you know? She's, like, oh, like, when she saw
2223 me and, you know, I didn't really put two and two together at first obviously.
2224 Like I said, I almost gave her a hug, and then, um, I was, like, oh, yeah, like...
2225
2226 Q: With the, um, so she was there with her boyfriend at the time...
2227
2228 A: I didn't see the guy...
2229
2230 Q: ...and he was in the groceries. He was in the grocery store...
2231
